Enclosures :

No. E-1.151/44 dated 28th February 194 4

Sir,

Sub: Agriculture - vegetable cultivation - inspection of soil - Sandur State.

The Karura Sachir, State Secretariat, Sandur State, has requested that an agricultural Demonstrator from this Department be deputed to visit Sandur State for the examination of a certain soil to find out its suitability for raising a vegetable garden. The state is prepared to meet the cost of the Travelling allowance of the Demonstrator.

2. I am asking the Agricultural Demonstrator Hospet (Bellary district) to visit the state and give necessary advice. For the journey undertaken by the Demonstrator within the Hospet taluk, the demonstrator will not draw any extra Travelling Allowance as he is already in receipt of a Fixed Travelling Allowance, and for the journeys

beyond Hospet taluk he will be given ordinary travelling allowance by this department and no Travelling Allowance need be claimed from the State as the amount involved is very small.

3. I request that the Government may be pleased to sanction the deputation and also approve of my action in permitting the agricultural Demonstrator, Hospet to visit the State in anticipation of sanction of the Government.

Your obedient servant,

for DIRECTOR OF AGRICULTURE.

It is clear from p 1 cr that the deputation is merely for the benefit of the State It is presumed that the of Agricultural demonstrator will be in the State for a very short time No transit pay need therefore be recovered from the State In any case on principle there seems to be a case for recovering may the State prepared to pay The case may however small the amount be.

Returned to Devt with these remarks.
